

REMARKS

The specification and claim 1 have been amended to correct typographical errors.

In the Office Action, the Examiner rejected claims 1-11 for obvious-type double patenting over U.S. Patent Publication No. 2006/0160436 to Oka et al. In response, attached is a Terminal Disclaimer disclaiming the terminal portion of any patent granted on this application that would extend beyond the expiration date of any patent to be granted on U.S. Patent Application No. 10/562,675

As a result, it is believed claims 1-11 are now in condition for allowance.

In view of the foregoing amendments and remarks, Applicant respectfully requests reconsideration and reexamination of this application and the timely allowance of the pending claims.

Please grant any extensions of time required to enter this response and charge any additional required fees to Deposit Account 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
GARRETT & DUNNER, L.L.P.
